FOR IMMEDIATE RELEASE

## **MIKE HERRERA'S TUMBLEDOWN**

DEBUT ALBUM OUT TODAY!

**First Single, "Homeward Bound" Sent To Specialty Radio**

**Band Teams Up With Fuse.tv to Release Exclusive Free Download**

**Los Angeles, CA, May 19, 2009** – Today marks the full length release of MxPx's frontman side project, **Mike Herrera's Tumbledown**, through Austin-based indie label, End Sounds.

The pop-punk-a-billy, country group out of Bremerton, WA consists of **Herrera** as songwriter/lead vocals/guitar, lead guitarist **Jack Parker**, standup bassist **Marshall Trotland**, and drummer **Harley Trotland**. The country music sounds, which Herrera has been writing since 1998, are influenced by such American music/songwriting legends as Hank Williams, Johnny Cash, and Bill Monroe. **Mike Herrera's Tumbledown** captures the punk rock energy of MxPx, while also displaying the soulful experiences of Herrera's travels along the lonely, open road. The result is an old-school, country-western swagger, with Herrera strumming a big dreadnaught acoustic over a chugging snare drum and stand-up bass. Guitarist Jack Parker adds to the Americana, with swiftly meandering, mean lead work.

They kick off their debut album with the twangy first single, "Homeward Bound", which has recently been sent to specialty radio with spins in Seattle, Detroit, Tucson, Denver and Portland, ME. While in San Diego recently on tour, the band stopped by KBZT 94/9 FM in which they did an acoustic cover of MxPx's "My Life Story" with a country twist.
