TWO LOONS FOR TEA

ANNOUNCE SECOND LEG OF U.S. TOUR

Album, Nine Lucid Dreams, Out Now

Los Angeles, CA, May 1, 2008 – Seattle-based duo, **TWO LOONS FOR TEA** continue their trek through the U.S. by announcing a second leg to their full-band U.S. tour, set to start in San Francisco, CA on May 7.

With much critical praise, their unique approach to *art pop* music has been described as “evocative, enveloping pop that contains elements of jazz and trance music,” by The Capital Times in Madison, WI and their live performance as an “impressive set of explosive, tightly syncopated songs” by SPIN.com.

TWO LOONS FOR TEA is vocalist, Sarah Scott and guitarist, Jonathan Kochmer. The duo is celebrating the release of their third album, Nine Lucid Dreams through Kochmer’s Sarathan Records. Combining an imaginative musical harmony in which an eclectic mélange of pop, jazz, folk, and ambient worlds collide, music listeners will fall in love with Scott’s hauntingly beautiful vocals and colorfully imaginative lyrics perfectly teamed with Kochmer’s vivid musical vision.

TWO LOONS FOR TEA has traveled across the U.S., Canada and Europe including coveted slots at SXSW and CMJ. The below dates only mark the beginning of the new **TWO LOONS FOR TEA** musical journey with their full band throughout 2008, with more dates to be announced soon.
