TWO LOONS FOR TEA ANNOUNCE NEW U.S. TOUR DATES

“MONKEY” MUSIC VIDEO CONTEST WITH \$2,500 AMAZON.COM GIFT CARD AS PRIZE

Album, Nine Lucid Dreams, Out Now

Los Angeles, CA, March 11, 2008 – Seattle-based duo, **TWO LOONS FOR TEA**, comprised of Sarah Scott and Jonathan Kochmer, are celebrating the release of their third album, Nine Lucid Dreams through Kochmer’s Sarathan Records.

With a six year hiatus since their last album, Nine Lucid Dreams does not disappoint with *The Big Takeover* describing the tracks as “...glossy smoothness that’s whimsical and engaging in spirit, but perfectionist in execution – so little of contemporary music bears comparison.”

Combining an imaginative musical harmony in which an eclectic mélange of pop, jazz, folk, and ambient worlds collide, music listeners will fall in love with Scott’s hauntingly beautiful vocals and colorfully imaginative lyrics perfectly teamed with Kochmer’s vivid musical vision.

Nine Lucid Dreams, is a diverse musical journey with atmospheres that shift from being as lush as the Seattle landscapes to as arid and spacious as the west-Texas desert. The album was released in August 2007 through Kochmer’s Sarathan Records. Nine Lucid Dreams reached #20 on Triple A radio and received airplay from NPR’s “All Things Considered” as well as Starbucks XM Café live session. Highlight singles “Monkey” and “Marietta” continue to chart on Triple A radio and have been fan favorites on XMU and DMX.

As an added bonus, **TWO LOONS FOR TEA** is hosting a music video contest for their song, “Monkey” with the prize being a \$2,500 gift card to Amazon.com. Amateur videographers and seasoned video veterans are both welcome as the guidelines state that any US resident ages 13 years and older can submit one video with two winners being chosen. One will be selected by public voting through YouTube and the second by the staff of Sarathan Records. Deadline for submissions is March 30, 2008.
